Innovation in Lighting Solutions

Emergency Luminaire Range

www.enlighten.com.au

Key Features	Chamaeleon III	Chamaeleon Eco	Chamaeleon Deco	Vico Batten
Government Rebate Schemes Approved for commercial lighting upgrades	NSW Energy Savings Scheme Vic VEET Scheme	NSW Energy Savings Scheme Vic VEET Scheme	NSW Energy Savings Scheme Vic VEET Scheme	NSW Energy Savings Scheme
High Performance LEDs	Lumileds LUXEON 3020	Lumileds LUXEON 3020	SMD 3014	Samsung 5630
Integrated controls	Microwave motion sensor	Microwave motion sensor	Microwave motion sensor	Microwave motion sensor
Power Consumption Full light	Up to 43W	25W	25W	Up to 46W
Power Consumption Standby light (W)	5W	6W	10W	7-12W
Lumen Output Range (lm)	Up to 3,500 lumens	2,500 lumens	1,800 lumens	Up to 4,200 lumens
Warranty - Luminaire	5 years	5 years	5 years	3 years
Emergency Classification	D32/D40	D50	D40	18W, 36W models -D40 44W model -D32
IP Rating	IP52 standard, IP65 available	IP65	IP65	IP65
Low maintenance design features	Smart connect base, self test, external battery drawer	Pre-drilled holes Swivel screw gear tray		
smartsense controls -optional	Smartphone App	IR Remote control	Integrated PE Cell	
Mounting	Ceiling or Wall	Ceiling	Ceiling or Wall	Ceiling or Wall
Battery type	Ni-MH	Ni-Cd	Ni-Cd	18W Ni-MH 36W &44W Ni-Cd
